EDUCATION

SMAN 2 KRAKATAU STEEL CILEGON

2018 – 2021

Natural Science (IPA)

Universitas Islam Indonesia | GPA : 3.70/4.00

2021 – 2025

Informatics

EXPERIENCE

PT Kilang Pertamina Internasional RU IV

April 2025 – Mei 2025

IT / Network Infrastrucutre Intern

- Observed and analyzed end-to-end network infrastructure supporting secure data transmission between refinery sites and central offices.
- Studied network topology and real-time operational workflows of internal communication systems in an industrial environment.
- Gained exposure to firewall systems and security mechanisms used to protect critical infrastructure.
- Assisted in monitoring radio communication systems (Radio & HT) to support internal operational coordination.
- Participated in the observation and operational management of CCTV systems, contributing to site surveillance and security awareness.

Dinas Komunikasi dan Informatika DIY

Jan 2025 – March 2025

UI/UX Designer & Front End Web Developer Intern

- Redesigned the official Diskominfo DIY website to improve usability and visual consistency, aligning with government digital service standards.
- Created wireframes and high-fidelity UI mockups using Figma, translating user needs and stakeholder requirements into clear design solutions.
- Developed responsive user interfaces using Nuxt.js and Tailwind CSS, ensuring cross-device accessibility and clean component structure.
- Collaborated with internal teams to gather requirements and iterate designs, incorporating feedback to deliver a refined final product.
- Improved overall user experience through structured design iterations and usability-focused layout decisions.

Bangkit Academy led by Google, Tokopedia, Gojek, & Traveloka

Feb 2024 – Jul 2024

Mobile Development, Independent Study Program

- Built a strong foundation in programming fundamentals, software development workflows, and introductory AI concepts as part of an industry-aligned Independent Study program.
- Specialized in the Mobile Development track, taking responsibility for UI/UX design and front-end implementation within the capstone phase.
- Designed user flows, wireframes, and high-fidelity mobile UI prototypes using Figma, focusing on usability and visual clarity.

- Translated UI designs into functional front-end application interfaces, ensuring responsive layouts and consistent component behavior.
- Collaborated in a cross-functional capstone team (Mobile, Cloud Computing, Machine Learning) to integrate the application layer into a complete end-to-end product.
- Improved application usability through iterative design and interface refinement based on mentor and peer feedback.

PORSEMATIK 2022 - Organizing Committee (Division of Fundraising)

Himpunan Mahasiswa Teknik Informatika LEM FTI UII

- Managed fundraising activities to support event operations and competitions.
- Coordinated with internal committee members to ensure smooth execution of planned programs.

INPUT 2023 - Organizing Committee (Student Mentor)

Himpunan Mahasiswa Teknik Informatika LEM FTI UII

- Led groups of new students during orientation programs, ensuring clear communication and structured activities.
- Assisted new students in adapting to the academic and campus environment through direct guidance and coordination.

ACHIEVEMENT

Best Finalist in Informatics Expo Universitas Islam Indonesia (3rd Semester)

SoMu SocialMusic - Get Your Friends With Beats and Tone!

SoMu is a social media application in the field of music hobbies which aims to be a forum for developing interest in music for musicians or music communities such as bands and a place to find friends who share the same interest, namely music by communicating or even forming bands through the application.

SKILLS & INTEREST

- Microsoft Office (Word, PowerPoint)
- UI/UX Design (Figma, Wireframing, Prototyping, User-Centered Design, Usability Testing)
- Front-End Development (Nuxt.js, Tailwind CSS, HTML, CSS)
- Mobile Development (Kotlin, Android Studio)
- Interest (User Experience, User Interface, Usability, Digital Product Design, Design Research, Mobile Applications Design, Quality Assurance, Quality Control)
